Mattapoisett Selectmen's Meeting

FEBRUARY 16,1988-by VIRGINIA MORGAN

AGREE TO HOUSING AUTHORITY ARTICLE FOR TOWN MEETING

Selectmen agreed last Tuesday to place an article in the May 2nd Annual Town Meeting warrant "to allow the Mattapoisett Housing Authority to be authorized to enter into contract(s) for construction and/or purchase of dwelling units for the elderly. Guaranteed and financed by Federal or State agencies". There was also a request by Housing Authority Executive Director June Mendell for the Selectmen to waive all town fees for the building, for which they agreed.

This article was explained by Ms. Mendell to the Selectmen, Board of Assessors and Housing Authority members. The article is needed, she said, in order to apply for a $7,500 state grant to hire a consultant who will do the "leg work" for what sites are available and what type of construction is wanted. The Housing Authority has to have the support of the Selectmen and townspeople.

A second request applied to the Board of Assessors whose approval the Authority needs before it can apply for funding for new construction of scattered-site family rental units. This request was received with hesitancy by Assessors Bruce Rocha, John Gibbons and Robert Gingras. Both Mr. Rocha and Mr. Gibbons said they wanted to review all aspects of the proposal before giving their approval.

Ms. Mendell added that there is a lot of money available this year for construction of rental units. "We are hopefully looking at four to eight family units; 20 elderly units and 12 to 16 congregate housing units. We would like to find an older home in the village for elderly congregate housing," Ms. Mendell said.

The Executive Director asked that the Assessors go along with the tax formula whereby the Town cannot tax the elderly units. However, the other family rental units would be taxed on a formula of one-half full value plus $100 times each bedroom (for example, three bedrooms, $300. tax).

Assessor Rocha explained his board did not approve a similar request by the Authority four years ago because certain criteria was not available. "We felt, at that time, the Town had a substantial number of low income units." Mr. Rocha added that the three Assessors are not unaware of rental in Mattapoisett. "We are not opposed to low income housing in Mattapoisett, but we feel there are a lot more units available than you realize. The proposal is worth reading before we sign our approval."

Selectmen Chairman John DeCosta said, "A lot of people would like to retire to Mattapoisett but cannot afford the rents and housing purchase costs." Selectman William Hubbard said, "We have to consider our own residents who can't afford some of the rents." Selectman William Suzan who asked about qualification on income said, "We need to take care of our own children." Ms. Mendell said, "Yes, there are limitations of income for $12,000 for one bedroom and $30,000 to $40,000 for family rentals; assets up to $15,000 and a person has to qualify each year." She added that each case is handled on its own merits.

cal 1989. Under capital expenditures, he requested $12,000 for a new four-wheel drive truck. He said the present truck is rusty and in tough shape making maintenance costs larger each year.

Other requests included $420. for metal posts for signs to be placed on beach areas. He also requested an increase in his salary to $16,653 because of increased patrol work. "I average 41-42 hours per week and up to 60 hours per week in the summer months. As long as I'm Shellfish Constable, I believe this job should be a seven-day operation."

Constable Nunes' proposed shellfish propagation budget totaled $16,965 and is designed to enhance resources. One of the requests is to continue to relay 15 to 20 bushels of contaminated oysters and to establish new oyster beds. "Mattapoisett has one of the largest oyster beds on the Massachusetts coast", Nunes said. Areas to be serviced include: Black Duck Pond Creek (Brandt Island area); Hiller's Cove, Nye's Cove, Pine Island Pond, Pico Beach, Eel Pond, Shining Tides West and East, Mattapoisett River, Howard Beach, Brandt Island Pond, Eel Pond Creek, west; Molly's Cove and Mattapoisett Harbor.

All the requests were placed on hold until all budgets are received.

the Council budget for fiscal 1989. The total budget was decreased from $8,140 to $7,240 because the Seniors are now using Village Court for their lunch program at $100 rental as opposed to using the Legion Hall at $175. per month. Mrs. Lynch pointed out the nutrition program at Village Court will be for a three month trial basis.

Selectman Suzan asked Mrs. Lynch what would happen if it doesn't work out at Village Court. Mrs. Lynch replied perhaps either the schools, or perhaps the Legion will take us back. Selectmen agreed that if the trial basis doesn't work out, the Board will recommend a transfer of funds for a new site.

Mrs. Lynch stressed the need for a paid Council Director. She cited the demographics in Mattapoisett which included the fact 25 percent of the town's population is seniors. And, that Mattapoisett is the only town other than Acushnet in the Coastline area that does not have a paid director. When the office clerk resigned recently she was being paid with federal Coastline funding. She has since returned on a temporary basis until a replacement can be found. During her absence, the office was operated with Council members volunteering their time.

Mrs. Lynch noted she has been to

Selectmen agreed wholeheartedly to endorse the request to be placed in an article for the annual town meeting.

ANNOUNCED problems that had occurred because of the recent rainfall which caused flooding in several areas of town.

Chairman DeCosta, who was at the scene at 6 a.m. last Sunday, said all the Board members were called and the Police Department was called out early last Sunday regarding flooding from the Mattapoisett River on Route 6.

The Fairhaven Police Department and the Fairhaven Department of Public Works were contacted because the Fairhaven DPW is responsible for the planks at the Herring Run.

Reports were received by the Police Department of water in cellars of several homes along the river and around Old Hammondtown School. Sandbagging was done along the

river, Chairman DeCosta said.

Shellfish Constable Brian Nunes who was at the meeting on his budget commented, "It doesn't help with the problem of contamination in the Mattapoisett River. With a 2½ inch rainfall the planks should have been removed earlier."

Selectman William Hubbard said two planks should have been taken out for the winter months. He recommended that when the river crests after 1½ to 2 days of heavy rain, planks should be removed. He also noted the door to the herring run was broken. "We should send a strong letter to Fairhaven officials requesting they do something about the planks in the winter months and after a heavy rain; also that they (Fairhaven) be responsible for the cost of any future repairs if this happens again."

Selectmen agreed to Selectman Hubbard's recommendation for a letter to the Fairhaven officials citing the need to remove the planks when there is a heavy rain.

On another matter, Chairman DeCosta said three fire hydrants were opened by vandals and left running all night. The Town Water Department had to be called to shut off the hydrants on Hitching Post Road, Upland Way, and Channing Road.

Water/Sewer Superintendent William Nicholson reported the hydrants were turned on by vandals at about 10:30 to 10:45 p.m. on February 15th. He was called at 6:45 the next morning after the water was running for eight hours. "We lost about 450,000 gal-

RECEIVED A LETTER from Rochester Board of Selectmen regarding the recent letter from Alewives Anonymous of Rochester relative to the proposal to close the fisheries in Mattapoisett, Marion and Rochester. Rochester Selectmen requested a joint meeting of the Herring Inspectors and Selectmen of the three towns to discuss this subject and to set the rate for roe and possibly conducting an annual meeting to handle these issues.

Selectmen agreed to contact Mattapoisett's Herring Inspector Antone Nunes to arrange for a joint meeting to be held in Mattapoisett.

RECEIVED AN INQUIRY from the Town of Marion expressing interest in sharing Mattapoisett's Veteran Services department with them.

Richard Lagreze, Marion's Veterans' Agent, wrote, "Marion Selectmen will have to appoint a new Veterans' Agent this Spring and an alternative which should be considered is to obtain the Veterans' Services of an adjoining town."

Contested Races, Mattapoisett

THREE TAKE OUT PAPERS FOR SELECTMAN
by VIRGINIA A. MORGAN

A three-way race for the office of Selectman has developed for the April 5th Town Election in Mattapoisett. The three candidates are James F. Huntoon, former Selectman; Daniel O. Mahoney, a member of the Board of Appeals; and Bernard F. Talty who served as a member of the designer selection committee for the Police Station Evaluation and Needs Committee, and the Old Colony Regional Vocational-Technical High School Committee.

There has been a recent development in the race for the office of Highway Surveyor held for 50 years by Manuel R. Nunes, Jr. Mr. Nunes has taken out papers for re-election. However, Wesley N. Bowman, the present Tree Warden, has taken out papers seeking to oppose Mr. Nunes.

Another contested race is that

of Housing Authority. Seeking a five-year term are Eleanor J. Contant and James Joaquim. Marlene O'Neill, who was named to fill the vacancy caused by the resignation of James A. Santos on the Housing Authority, has taken out papers to complete the one-year term. Paul E. Lambalot is not seeking re-election to the five-year seat on the Housing Authority. Also, a two-way race for the Board of Health has Michael E. Michaud seeking re-election, being opposed by John N. Bowman.

Others who have taken out nomination papers are: R. William Blasdale, re-election as Moderator; Marshall Pryce, Tree Warden; Louise E. Preissler, Trustee of the Public Library; John D. Gibbons, re-election to the Board of Assessors; Maureen Duff Best, re-election to the Mattapoisett School Committee; Peter B. Perkins, re-election to the Planning Board; Kathleen F. Briggs, re-election as Treasurer/Tax Collector; Ralph E. Wordell, re-election as Water/Sewer Commissioner.

Town Clerk Lois K. Ennis said the deadline for filing nomination papers is Tuesday, February 23. The Town Clerk's office will be open February 23rd from 7 to 9 p.m.

Marion Land Bank Study Committee

OPEN MEETING MONDAY, FEB. 29

In February of 1987 the Marion Selectmen charged the Marion Land Bank Study Committee with the investigation of open space planning and land banking. The following Land Bank Home Rule Petition will be presented to the 1988 Town Meeting in April. Upon approval, the petition must be submitted to the Massachusetts General Court, as a tax on real estate transfers requires state enabling legislation.

Prior to Town Meeting, the Committee proposes to conduct a thorough discussion of the concept of land banking and of each component of the petition in the media and in public meetings. There will be an open meeting of the Marion Land Bank Study Committee on Monday, February 29th, at 7:30 p.m. at the Marion Town Hall - First Floor Conference Room. The public is urged to attend

FINAL DRAFT PROPOSAL - TOWN OF MARION LAND BANK HOME RULE PETITION to be submitted to the Massachusetts General Court

Note: All proposals listed below were agreed upon by the Marion Board of Selectmen and the Marion Land Bank Study Committee, in conference December 1, 1987.

1. The Town should act to establish a Land Bank in order to acquire environmentally sensitive areas for public access; to protect water resource areas, open space, wildlife habitats, and scenic views; to preserve historic and archeological sites; and to preserve agricultural areas.

2. The Land Bank should be funded by a transfer fee not to exceed 2% levied on the sale of real estate in the Town, subject to annual review by the Land Bank Commission.

3. The transfer fee should be paid by the buyer.

4. Real estate transfer fees should be levied only on real estate sales; transfers of property by gift of inheritance should be exempt.

5. The first $100,000 (one hundred thousand dollars) of the purchase price shall be exempt for all home buyers, subject to annual review by the Land Bank Commission. Land and business property purchases would require payment of the full transfer fee.

6. Amendments to the enabling legislation should be made by 2/3 vote of the Annual Town Meeting.

7. The Land Bank Commission should be composed of seven members, 4 appointed and 3 to be elected, all serving staggered 3 year terms. The appointing board should be the Chairman, Board of Selectmen, Chairman, Board of Assessors, and the Chairman, Planning Board.

8. The Land Bank Commission should be independent of, and in addition to, already established town boards and commissions.

9. The Land Bank Commission should have the power to invest Land Bank funds, to borrow in anticipation of receipts, to accept gifts of money, land, including land with restrictions, on its own authority on behalf of the Town of Marion.

On Sunday his open meetings will be in Bourne and Falmouth.

Between the two Open Meetings on Sunday, February 28th, Rep. Studds will sponsor and keynote a forum on how to cope with the soaring cost of higher education. The conference is designed for high school seniors and their parents, as well as for younger students anticipating college expenses.

The student aid conference will feature workshops led by a host of financial advisors and student aid experts. There will also be plenty of time for consultation on individual questions, Studds said.

The February 28th conference is scheduled for 2:00 to 5:00 p.m. at the Harrington Center of the Massachusetts Maritime Academy in Buzzards Bay. All Tenth District residents are welcome. More than 400 parents and students attended last year's student aid conference.

"Eddie Was Here 1961-1977"

TO BE PRESENTED AT ORR

Kevin LaRiviere remembers back to a cold day in November 1977, he and his sister were driving through Narragansett, Rhode Island and saw their younger brother Eddie staggering on the sidewalk. They knew he was high on drugs again. Stopping the car seemed useless. Years of counseling, drug centers, court appearances, family battles, brief successes and countless disappointments resulted in Eddie's always returning to his addictions.

One week later, on Thanksgiving night, after a house party where the entertainment was drugs and alcohol, Eddie's friends left him to sleep off a high in the back seat of a car. He died there, face down and alone. Eddie LaRiviere was sixteen years old.

After they buried Eddie, Kevin was consumed with sorrow and bitterness. "I was extremely bitter... angry at God, angry at the world, bitter about not knowing where to have gotten help. I wanted families

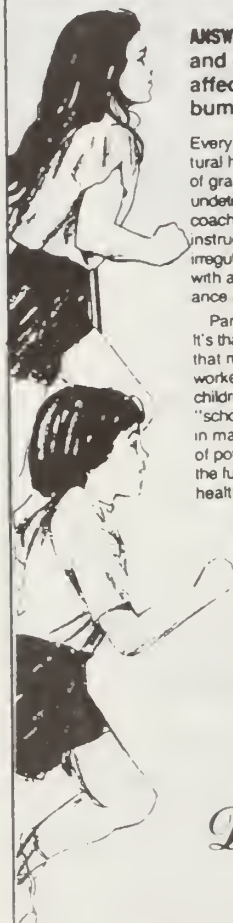
QUESTION:

WHY SHOULD CHILDREN HAVE CHIROPRACTIC SPINAL MANIPULATION?



ANSWER: Because growth and development can be affected by minor bumps, jars and falls.

Every year, thousands of structural health problems in students of grade and high school level go undetected even though teachers, coaches and physical education instructors watch for health irregularities which might interfere with a child's physical performance and learning ability.

Part of their jobs? Not really. It's that extra sense of dedication that makes these already overworked public servants give children that extra attention. The "school guardian" is responsible in many cases for the detection of potential health problems and the funneling of children to proper health authorities.

What most people don't know is that most health problems are far too complex for the teacher to note. And with a busy schedule, the educator can't be expected to have the time to screen problems that are beyond his or her scope of training, no matter how conscientious the teacher may be. The result: many children have health problems that retard their ability to learn or engage in sports effectively.

Here's what you can do:

- Parents should be urged to take more responsibility for their children's health.
- Parents and teachers should be alert to such things as changes in energy level, postural changes, moodiness, listlessness or any unusual signs that signal a problem that will impede learning. One of the observable signs is lack of interest in school activities.
- The structural balance of the child's body should be considered. The school teacher will no doubt note the child's posture, but that does not always indicate the structural integrity of the body. Comprehensive chiropractic examinations, including examinations of the spine, pelvis, neck and limbs should be recommended to avoid developmental problems.
- Incorporate posture awareness programs into your class projects. Write for suggestions and materials.

from groups to talk about Eddie's death; audiences were usually small. The idea of a play came innocently. "I knew that people were listening to me, but I wanted them to know me, know Eddie, to see our family in destruction, a good family being torn apart. I wanted them to know that it could happen to any family."

The play, "Eddie Was Here 1961-

to know that there is help out there."

After a time, Eddie's family established as a charitable organization the Edward J. LaRiviere Memorial Foundation to work towards prevention and treatment of substance abuse by teenagers. In the midst of family tragedy, Kevin LaRiviere began to work on a project which he hoped would make some sense of Eddie's life. He began honoring requests

1977", immediately proved to be a stunning portrayal of the tragedy of teenage substance abuse. Students, faculty, and parents were included in each school performance. Mental Health professionals from the communities involved attend in order to counsel students following the performance.

By June of 1987 "Eddie Was Here 1961-1977" will have been seen by over 300,000 people. The play is part of a coordinated program including both school and community health agencies. Role-playing workshops involved students, parents and counselors as a local production of the play begins. Next, specific scenes involving student actors will be explained and rehearsed. "Eddie" will open with only a casket on stage. Eddie's spirit and the play's message will be developed through the use of monologues, songs and scene changes. Flashbacks trace the path of substance abuse: experimentation, regular use, daily use, burnout and the ultimate tragedy of teenage death. Following the production, Kevin LaRiviere, a youth in recovery, or counselor will share their experiences and lead discussion.

"Eddie Was Here 1961-1987" will be presented Monday, February 29th,

Growth Management Committee

At its Thursday, February 17th, meeting of the Growth Management Study Committee, held at Village Court, over 30 town residents met to work several key issues.

The first hour and a half was taken up with continuing discussion of a large proposed development at Brandt Neck. Some 20 area residents expressed mixed but generally apprehensive feelings about the proposal. Concern was expressed over traffic, and over a longer term implications for housing development and population growth on the entire neck area if water and sewer were developed. Most present wanted to learn more about the specifics of the proposal but it was pointed out that until developers signed a purchase and sale agreement for the land, they would not want to reveal their plans publicly.

There was a great deal of interest in the possibility of the town exercising its first option to buy the land, which it legally can under M.G.L. Ch. 61B. While no one was overly optimistic that the town

would vote to authorize a $7.5 million bond issue at the upcoming annual town meeting to buy the land, the committee and many of the Brandt Island area visitors agreed to invite land preservation specialists to a special meeting in early March to discuss the possibilities of putting together an acquisition plan for town meeting. The date and location of this meeting will be announced later.

In other business, attendees expressed a strong interst in learning more about new zoning and land use regulations such as cluster zoning. It was agreed to contact the Zoning Board of Appeals and the Planning Board to arrange for a workshop on these and other by-law matters.

Chairman Peter Kortright announced that he had received several favorable endorsements for the committee's proposal that the town should have a Town Planner.

In a February 2nd meeting with the Planning Board, members present agreed with Mr. Kortright that a Town Planner could help in many ways. They also wanted to learn more about what a town planner does and how he or she might actually work with the various boards and officials of the town.

On February 16th Mr. Kortright explained the committee's budget request for a town planner to the Finance Committee as part of their normal budget review. Again, except for the question of having money in the budget, the Finance Committee agreed that a planner would be a worthwhile investment for the town at this time.

Finally, the Committee's proposal to go after a state grant to help pay for a shared town planner, perhaps with the Town of Marion, went before the Selectmen at their budget review sesson on Wednesday evening, February 17th. Not only did the three Selectmen agree that the time had come to bring some expertise to the town's development planning, but they asked Mr. Kortright to explore the possibility of hiring

Towards that end, Selectmen agreed to host a meeting in March with members of the several committees and boards concerned with development planning and regulations to further discuss the Town Planner proposal and its implications.

The next regular meeting of the Growth Management Study Committee was scheduled for Thursday, March 3rd at 7:30 p.m. at Village Court, off Acushnet Road. As always, interested town residents are welcome to attend and participate in the proceedings.

Mattapoisett Public Library

TGIF resumes February 26th. The films for this week are: SAMANTHA GETS A VISITOR, a city girl visits her country cousin and learns about adapting and sharing; and MISS NELSON IS MISSING, the children of Room 207 hire a detective to find their teacher when she mysteriously disappears, based on the book by Harry Allard. The running time for these films is 40 minutes.

For further information please call or visit the library at 7 Barstow Street (758-2213).

Area Students

NAMED TO DEAN'S LIST
UMASS

Local students who qualified for the Dean's List for the 1987 fall semester at the University of Massachusetts are:

From Mattapoisett: Stephen R. Hanna, Jr. and Thomas P. Jackivicz.

From Marion: Arthur E. Parks.

From Rochester: Daniel J. Ferreira and Christine LaPointe.

In order to qualify a student must receive a 3.5 grade point average or better, on a four point scale.

A FIVE STAR RATING

Located on a side street within a short walk to the village, this 3 bedroom Cape has inside character of its own. Immaculately kept and in excellent condition, there are 1 1/2 baths, a den, study or extra bedroom, fireplaced living room, oak hardwood floors throughout and superb cast iron baseboard heat. A multi cabinet kitchen plus formal dining with sliders that leads to a summer room that is truly a delight. The attached double garage has extra space for storage or work area. A hard to beat opportunity realistically priced at $219,000.

"Because fewer than 15% meet this high standard, making the Dean's List marks significant accomplishment", said University Chancellor Joseph Duffey. "This academic honor is a source of pride to the entire University community."

HONORED FOR ACADEMIC ACHIEVEMENT

Kimberly L. Knight of Mattapoisett is one of the fifty-four University of Maine students who will be honored for academic achievement in the College of Education during a March 2nd recognition ceremony when the students will be presented President's Scholarship Pins.

The pins are awarded to students who have achieved a 3.5 grade point average (high B+) or higher during the past semester and have maintained a minimum 3.0 accumulative average.

Senior citizens eligible for a two-year term as Representative or Senator must be Massachusetts' registered voters, aged 60 or older, and reside in the district they seek to represent. Present incumbents and former members of the Silver Haired Legislature may seek re-election.

The Silver Haired Legislature (SHL) was adopted in Massachusetts in 1980 to provide an educational and advocacy training/action program for the elderly. It is a grass-roots, non-partisan organization dedicated to the development and promotion of legislation, particularly that affecting the elderly. Patterned after the General Court of the Commonwealth, its membership consists of 40 Senators and 160 Representatives drawn from the same voter districts as the General Court. It has the distinction of being the only advocacy group whose members are elected by their peers.

Candidates must file nomination papers carrying the signatures of 25 registered Massachusetts voters age 60 or older and residing in the district of the candidate. Nomination papers must be filed with the SHL by March 7th. Campaigning by candidates will begin on March 16th and continue to election day, April 20th. Nomi-

"WHAT DID YOU DO IN SCHOOL TODAY"
"WE READ A BIG BOOK!"

Parents and community members in the tri-town area are invited to learn about a new trend in education across the nation when Dr. Priscilla Lynch speaks on Thursday, February 25th, at 7:30 p.m. at ORR Junior High School on Natural Language Learning.

This presentation is part of Project GROW's community education series, "What Did You Do In School Today?", which has been organized by Jane Taylor, Early Childhood Coordinator. It will address whole language learning, an approach to teaching reading which uses Big Books and natural language techniques to supplement the traditional basal readers and workbooks.

Dr. Lynch is an educational consultant to Scholastic, Inc., the New York City School System and other school systems. She has taught all

Swain School Applicants:

SHOULD APPLY TO SMU

Students planning to apply to the Swain School of Design, New Bedford for fall 1988 enrollment should now apply to Southeastern Massachusetts University.

A merger between Swain and SMU's College of Visual and Performing Arts has been approved by the governing bodies of both schools and by the Massachusetts Board of Regents. Although approval from the Massachusetts legislature for funding and charter modifications is still pending, university officials are planning for the merger.

Degree programs offered by SMU's College of Visual and Performing Arts after the merger are expected to retain the requirements now in existence at SMU. Standards for admission are also expected to parallel those currently in effect at SMU. For more information about the admission process, students may write or call SMU's Admissions Office, North Dartmouth, MA. 02747; 999-8605.

the Internal Revenue Service says.

"The fact that the tax law is different this year does not necessarily mean your return is more difficult," said Boston District Director Gerard R. Esposito.

Each of the three 1040 forms do have small changes in them. But, the 1040EZ has the same number of lines as last year's and the 1040A actually has three fewer lines.

Two important additions that all the forms show are a space to indicate any tax exempt interest you have earned, and a line for subtracting your standard deduction. Last year your standard deduction was built into the tax tables so no math was needed in order to take advantage of it.

The most sweeping changes are the reduction of the tax rates, and the increase in the personal exemption and standard deduction.

You will still find your total taxable income and then look up the tax using the tax tables. Thus, the changes in the tax brackets will not make your return more difficult.

The personal exemption has increased, but it is still used in the same way.

TAX CHANGES ON CAPITAL GAINS, LOSSES

Longterm capital gains are now fully taxable, according to the Internal Revenue Service. However, you can deduct 100 percent of your capital losses.

"Before tax reform, only 50 percent of net longterm capital losses were deductible," said Boston District Director Gerard R. Esposito. "Now that all capital gains are taxable; all capital losses are deductible."

There is a limit of $3,000 in net loss ($1,500 if you are married filing separately) that can be deducted in one year. But excess loss can be carried forward to later years.

For example, you first offset any capital loss against capital gains for the year. If after this, you show a net longterm loss of $4,000,

under prior law you could have taken a deduction of only $2,000. Now, you will be able to take a $3,000. deduction this year and still have $1,000. in losses to offset any capital gains next year.

You should also be aware that even if you have no taxable income for 1987, the allowable $3,000. deduction is used in 1987. Thus, if you had no taxable income this year and net capital loss of $7,000., the first $3,000. would be lost. The remaining $4,000. is carried over to 1988.

You can get additional information from the free IRS Publication 550, "Investment Income and Expenses". To order call 1-800-424-FORM.

American History Month

The U.S.S. Constitution, the oldest fully commissioned warship in the world's navies, is berthed in Boston today. She received her nickname "Old Ironsides" during battle with the British warship Guerriere in the War of 1812. The shot from the British guns were seen to bounce off her sturdy sides. The New Bedford Chapter Daughters of the American Revolution encourages everyone to study the history of this great frigate which was launched on October 21, 1797.

Q. IS PASSIVE EXERCISE JUST A FAD?
A. DEFINITELY NOT! Passive exercise is the alternative to strenuous exercise. It has been said by physical therapists that the concept is effective for people with heart problems, artificial joint recipients, arthritics and others. Imagine effortless exercise that provides muscle tone strength, muscular endurance, flexibility, better circulation and inch loss! Call for complimentary visit or just stop in and see for yourself. House on Sunday, March 6th, from 1:00 to 3:00 p.m. at Old Colony Regional Vocational Technical High School in Rochester.

The goal of the Open House is to provide residents of the community with the opportunity to observe the educational opportunities available through a vocational-technical education program. Each of the school's twelve vocational programs will be operating and student projects will be on display.

Parents of pre-high school age students are particularly encouraged to attend. Guidance Counselors will be available to explain vocational program opportunities, related academic courses and potential career employment options.

Refreshments will be served by the Culinary Arts Department.

Additional information may be obtained by calling Old Colony at 763-8011.

HEALTH FAIR

The Health Services Assistant Program at Old Colony Regional Vocational Technical High School will be conducting a Health Fair as part of the Open House activities taking place Sunday, March 6th, at the school.

The Health Fair will be held from 1:00 to 3:00 p.m. and will include various health screening activities.

OLD COLONY RETAINS CERTIFICATION

Recently the Automotive Department at Old Colony Regional Vocational Technical High School received notice that its midpoint compliance review was accepted by the NATEF (National Automotive Technicians Education Foundation).

NATEF is a national accrediting foundation which certifies educational institutions for the National Institute for Automotive Service Excellence.

Nancy Hall, Administrative Director of NATEF, stated, "Old Colony continues to meet the standards of quality education as certified by NATEF." She continued by stating "Your concern and hard work directed at automotive educational needs are evident by the quality of your program."

Old Colony's Automotive Program remains the only secondary training program certified in Massachusetts.

School were nominated for scholarships from the National Honor Society Scholarship Program.

Tracy Albino and Thomas Ross were nominated by the Old Colony Chapter of the National Honor Society to compete for $1,000 scholarships. Nationally, 450 scholarships are awarded to outstanding honor society members.

Tracy, a member of the Health Services program, plans to continue her education at Elms College or Framingham State in the fall. Thomas, who will graduate from the Machine Program at Old Colony, plans to attend either Bridgewater State or Southeastern Massachusetts University.

AMERICAN HEART ASSOCIATION FIGHTS TEENAGE SMOKING

For students at Old Colony Regional Vocational Technical High School, Valentine's Day meant more than candy and lace hearts this year. The American Heart Association helps teenagers learn how smoking can affect their hearts through an anti-smoking program built around Valentine's Day. The program, called Save a Sweet Heart, began at Old Colony in January. The highlight of the program is a day of no smoking on Valentine's Day, called Save a Sweet Heart (SASH) Day.

Although smoking among teenagers has declined from its mid-1970s peak, the rate of decline has leveled off. An estimated 20 percent of high school seniors smoke and a recent survey shows that smoking among girls 17-18 is at an all-time high of 26 percent.

"Smoking has a well-documented relationship to increased disability and death due to heart disease, yet many teenagers start smoking in school and continue the habit for

the rest of their lives," Suzanne Ogaitis, local AHA representative said.

According to Ms. Ogaitis the program butts heads with the two major obstacles in the fight against teenage smoking - advertising and peer pressure.

SASH uses posters that mimic popular cigatette advertisements to get teenagers involved in the program. The posters show happy, attractive non-smokers enjoying life while smokers watch. The image is identical to the carefree and successful image of smokers portrayed in cigarette ads. The program was conducted by Old Colony students who hung the posters, made public address announcements to promote the program, and collected no-smoking pledges from other students.

Student involvement can create peer pressure to stop smoking emong the students, according to Ms. Ogaitis.

"Peer pressure is one of the major reasons teenagers begin to smoke", she said. "The SASH program can make that peer pressure a positive force." SASH began six weeks before Valentine's Day, when the anti-smoking posters were hung throughout the school. Public address announcements

and no-smoking pledging began 10 days before SASH Day. Smokers pledged not to smoke on SASH Day and non-smokers pledged not to begin smoking within the year. The anti-smoking posters are left up five weeks after SASH Day to remind the students of their no-smoking pledges.

FreshStart Programs

For those smokers who would like to kick the habit, the Greater New Bedford Unit of the American Cancer Society will hold 2 FreshStart programs at Southeastern Massachusetts University in the Career Planning & Placement Office, Room 8, Student Union Building.

The first program will take place March 1st, 8th, 22nd and 29th. The second program will meet April 5th, 12th, 19th and 26th. It is recommended that all 4 sessions be attended. All sessions will be from 4:30 to 5:30 p.m. and Sheila Dorgan will facilitate all sessions.

The FreshStart programs are open to SMU students, faculty and general public. There will be no fee charted, but pre-registration is necessary. Size of the class is limited. Interested individuals may call 999-8982 to register.

CHEMICAL CAPERS

Do you know: How many colors are hidden inside a purple pen? How you can get yellow and orange from a green leaf? Why some liquids change color when you add vinegar or baking soda? Children ages 8 to 10 will find out the answers to these and many other questions of science at The Children's Museum's class, "Chemical Capers".

Chemical Capers will be held on Saturday, February 27th, from 1:00 to 3:00 p.m. Participants will see some spectacular science as well as conduct their own chemical experiments. This class is limited to twelve children and you must pre-register by calling the Children's Museum at 993-3361. The cost for this class is $5.00 for members and $6.00 for non-members.

CAST CALL FOR LOPE COMEDY

New Bedford Glass Museum

ANNUAL ANTIQUES SHOW

Rare art glass, fine American Victorian silverplate, antique weapons and jewelry, paintings, and 18th century iron work will be among the objects for sale when the Director's Choice benefit antiques exhibition opens at The New Bedford Glass Museum on March 10th.

Over 100 items have been selected for the annual sale exhibition, ranging from furniture to miniature ivories, by the Museum's curatorial staff headed by Museum Director Janie Chester Young. Director's Choice offers a connoisseur's exhibition of fine antiques, vetted for quality, condition, and authenticity. The antiques range from being rare to finely representative of their period or medium, and range in price from $10.00 into thousands.

A portion of the sale proceeds benefit the programs of The New Bedford (Mass.) Glass Museum, located in the city's waterfront historic district at 50 North Second Street. Director's Choice will be on display from March 11 through April 3.

The exhibition culminates three months of research and selection, assembling objects from fifteen dealers throughout New England.

"Director's Choice", says Mrs. Young, "is our effort to both educate and stimulate our audience to collect, wisely and enjoyably. Anyone studying the exhibition can learn something new ... about a medium, about the market, or about authenticity and quality. Our pieces are usually gorgeous, and occasionally 'difficult'; we purposely confront our audience with questions of condition and taste."

The exhibition is accompanied by an informative catalogue, priced at $3.00.

The New Bedford Glass Museum is open Monday through Saturday, 10 to 5, and Sundays, 1-4:00, including Easter Sunday. Group rates and tours are available.

The Volunteer Council and the volunteers' Lecture Committee will present jointly to the Chairman of the Board of Trustees, Mr. Robert McCarter, checks in the amount of $1000.00 to be deposited in the museum's Acquisition Trust Fund in honor of Mr. Kugler's 20th anniversary as Director.

The Trust Fund was established last year by the Volunteer Council with a similar initial contribution.

During the same ceremony, the Lecture Committee and the Descendants of Whaling Masters will formally present to Mr. McCarter and Mr. Kugler their joint gift of the new audiovisual Orientation Film exhibit, which will now be available to the public in the Lagoda Room. The exhibit, activated by the public, presents a short film explaining the background, history and techniques of whaling as well as the museum's commitment to the conservation of whales.
